

Be the designer you have always dreamed of with

Theme Designer

The screenshot displays the regonline Theme Designer interface. At the top, a window titled "Theme: Green Machine" contains a preview of the theme, which features a green and white wavy background. The preview includes a "Big Event" section with contact information for the United States and a registration form with an email address field containing "abc@regonline.com". The interface includes "Save Theme" and "Close" buttons. Below the preview is a navigation menu with tabs for "Header/Footer", "Colors", "Background", "Fonts", "Layout", and "Custom CSS". The "Colors" tab is active, showing a "Color Options" panel with a "Color Picker" section. This section includes a "Current Colors" row with swatches for Background, Form, Form Text, Link Text, Header Text, and Header. Below this, there are several suggested color sets and a "Change Image" button.

RegOnline Theme Designer

Make your event stand out with RegOnline's exclusive Theme Designer tools. With Theme Designer, event organizers can enhance the look and feel of the entire event registration experience through the creation of beautiful websites, registration forms and email marketing campaigns. Now, even small to medium-sized events can create professional looking websites with our powerful, yet easy-to-use Theme Designer tools.

Use the Theme Designer to:

- Adjust colors on background pages, forms, text links, header text and header background
- Use Color Picker to find compatible colors in our pre-defined, matching color palettes
- Choose from our library of professionally designed themes
- Select from pre-loaded header images, patterns, backgrounds and color swatches
- Customize all font elements
- Preview your new event designs in real time

Easily Match Your Color Scheme:

Use our Color Picker tools to select from multiple, pre-defined color palettes.

The screenshot shows the 'Color Options' section of a theme designer. At the top, there are navigation tabs: 'Header/Footer', 'Colors', 'Background', 'Fonts', 'Layout', and 'Custom CSS'. The 'Colors' tab is active. Below the tabs, there's a 'Color Options' header with a 'Help with This Section' link. Underneath, there are links for 'Color Suggestions', 'Match Image Colors', and 'Color Picker'. The main area displays 'Current Colors' for six elements: Background, Form, Form Text, Link Text, Header Text, and Header. Below this, there are several rows of color palettes. The second screenshot shows the 'Match Image Colors' tool. It features a 'Current Colors' bar and a grid of suggested color palettes. A central image of a green abstract design is shown with labels for 'Form Text', 'Background', 'Link Text', 'Form', and 'Header Text'. A red box highlights the 'Background' label. Below the image are 'Change Image' and 'Hide Labels' buttons.

Add Custom CSS:

Control page positioning, borders, rounded corners, margins, size and alignment

The screenshot shows the 'Custom CSS' section of the theme designer. At the top, there are navigation tabs: 'Header/Footer', 'Colors', 'Background', 'Fonts', 'Layout', and 'Custom CSS'. The 'Custom CSS' tab is active. Below the tabs, there's an 'Overriding CSS Styles' header. Underneath, there's a section titled 'Upload Custom CSS' with a text area containing the following CSS code:

```
body { font:13px/1.231 sans-serif; *font-size:small; }
a:hover, a:active { outline: none; }
ul, ol { margin-left: 2em; }
ol { list-style-type: decimal; }
.subNav { font-size:18px; color:#00F; textdecoration:none; }
```

Still have questions?

Use RegOnline, and our Theme Designer to run a successful event every time. For any questions, please contact your Account Manager directly or by phoning (303) 577-5151. You can also reach our Support organization by phoning (888) 351 9948, option 2.
