Join the world’s largest treasure-hunt!

Geocaching is an outdoor recreational activity in which participants use technology to both hide and seek containers (called “geocaches”) at specific locations marked by coordinates all over the world. There are 2,713 geocaches around Exeter, RI alone! This course will cover the basics of the sport of geocaching, including how to use the website and app. The second class will meet at a nearby location to find a few caches.

Course requirement: Participants must have a smartphone on which they have downloaded the Geocaching app by Groundspeak Inc., from the Google Playstore or Apple Appstore.
