A KNOWLEDGE-BASED PROGRAM

TARGETING CANCER
ANNUAL UPDATE IN ONCOLOGY PHARMACY
LOCA TION
UIC College of Pharmacy (Chicago)
833 S. Wood Street, Room 134-1
Chicago, Illinois 60612

TARGET AUDIENCE
A conference for pharmacists and other health care professionals who care for patients with cancer.

PROGRAM DESCRIPTION
New developments in pharmacotherapy and a better understanding of cancer origins continue to revolutionize the treatment of patients with cancer and challenge the clinical pharmacist to stay abreast of emerging therapies with novel toxicities. This conference will examine approaches to the treatment of common solid tumor and hematologic malignancies. Highlighted topics will include a review of current management of solid tumors (breast and colon cancer) and hematologic malignancies (chronic myeloid leukemia), novel therapies, toxicities, and supportive care management. In addition, the program will address the role and impact of oncology biosimilars in practice.

REGISTRATION FEE - $25.00
Includes 4.0 contact hours of continuing pharmacy education. Handout, continental breakfast, lunch and parking are included with registration. EARLY REGISTRATION is encouraged.

REGISTRATION DEADLINE
Friday, September 27, 2013

TO REGISTER
Please visit our website at http://www.regonline.com/oncology2013 or call UIC College of Pharmacy, Office of Continuing Education and Meeting Services Toll-free at: (866) 742-7623.

CHAIR
Sandra Cuellar, Pharm.D., BCOP
Director, Specialty Residency in Oncology
Clinical Assistant Professor
Clinical Pharmacist, Oncology
University of Illinois at Chicago, College of Pharmacy
Chicago, Illinois

SPEAKERS
Edward Li, Pharm.D., BCOP
Associate Professor
University of New England, College of Pharmacy
Portland, Maine

Virginia Kaklamani, MD, DSc
Associate Professor
Director, Translational Breast Cancer Research
Co-Director, Cancer Genetics Program
Division Hematology/Oncology
Northwestern University
Evanston, Illinois

Seema Patel, Pharm.D.
PGY2 Oncology Specialty Resident
Department of Pharmacy Practice
University of Illinois at Chicago, College of Pharmacy
Chicago, Illinois

Nancy L. Shapiro, Pharm.D., FCCP, BCPS
Operations Manager, Antithrombosis Clinic
Clinical Associate Professor, Pharmacy Practice
Director, Ambulatory Care Residency
University of Illinois at Chicago, College of Pharmacy
Chicago, Illinois

Karen Sweiss, Pharm.D., BCOP
Clinical Pharmacist, Oncology
Clinical Assistant Professor
University of Illinois Hospital & Health Sciences System
University of Illinois at Chicago, College of Pharmacy
Chicago, Illinois

Scott Wirth, Pharm.D., BCOP
Clinical Pharmacist, Oncology
Clinical Assistant Professor
University of Illinois Hospital & Health Sciences System
University of Illinois at Chicago, College of Pharmacy
Chicago, Illinois

Michelle Del Guercio / Photo Researchers, Inc.
ACREDITATION
The University of Illinois at Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of pharmacy continuing education. This program has been assigned ACPE Universal Activity Number 0016-0000-13-114-L01-P, for 4.0 contact hours (0.4 CEUs). Attendance at the entire knowledge-based program, completion of the self-assessment questions on the evaluation form, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the program date, so pharmacists and pharmacy technicians are required to provide their e-Profile ID and date of birth (MMDD) at the time of the program. Please contact pharmce@uic.edu if you do not see program information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

REGISTRATION FEE - $25.00 includes 4.0 contact hours of continuing pharmacy education credit, program handout, continental breakfast, lunch and parking. Space is limited and early registration is encouraged.

REGISTRATION DEADLINE
Friday, September 27, 2013

To register
Please visit our website at http://www.regonline.com/oncology2013 or call UiC College of Pharmacy, office of Continuing Education and Meeting Services toll-free at: (866) PHARMCE (742-7623).

AGENDA

8:00 a.m. - 9:00 a.m. Registration & Continental Breakfast
9:00 a.m. - 9:15 a.m. Welcome
Sandra Cuellar, Pharm.D., BCOP
9:15 a.m. - 10:00 a.m. Update in Management of Metastatic Breast Cancer
Virginia Kaklamani, MD, DSc
LEARNING OBJECTIVES:
• Discuss new treatment options for hormone positive metastatic patients
• Discuss new treatment options for HER2neu patients
• Discuss management strategies and considerations for triple negative breast cancer
10:00 a.m. - 10:45 a.m. Supportive Care Update
Nancy L. Shapiro, Pharm.D., FCCP, BCPS
Seema Patel, Pharm.D.
LEARNING OBJECTIVES:
• Discuss current recommendations for VTE management in cancer patients
• Review current and emerging data on management of TKI dermatologic toxicities
10:45 a.m. - 11:00 a.m. Break
11:00 a.m. - 11:45 a.m. Chronic Myeloid Leukemia
Karen Sweiss, Pharm.D., BCOP
LEARNING OBJECTIVES:
• Assess patient and disease characteristics for selecting optimal frontline therapies
• Discuss role of current and novel therapies
• Discuss management and supportive care strategies and challenges of novel agents in CML
11:45 a.m. - 1:00 p.m. Luncheon and Networking
1:00 p.m. - 1:45 p.m. Update in Management of Metastatic Colon Cancer
Scott Wirth, Pharm.D., BCOP
LEARNING OBJECTIVES:
• Describe the integration of new treatment options for colon cancer (aflibercept, regorafenib)
• Discuss the expanding role of bevacizumab
• Discuss emerging treatment strategies
  ~ New drug targets
  ~ Maintenance Therapy
1:45 p.m. - 2:30 p.m. What Are Biosimilars and How Will They Impact the Care of Patients with Cancer?
Edward Li, Pharm.D., BCOP
LEARNING OBJECTIVES:
• Discuss recent regulations that allow for the development of biosimilars, including the FDA evaluation and approval process
• Compare and contrast the science behind producing biosimilars versus generic small-molecule drugs
• Evaluate how biosimilars will likely impact patient care in oncology
• Formulate a strategy for incorporating biosimilars into your practice
2:30 p.m. Closing Remarks and Evaluations
Sandra Cuellar, Pharm.D., BCOP

ACKNOWLEDGEMENT
This program is supported in part by education grants from Amgen, Astellas, Pfizer, and Sanofi US and Regeneron Pharmaceuticals.
