Sponsorship & Participation Opportunities at the 2018 Joint Annual Conference

The Water For People Committee of MWEA and MO-AWWA will continue their fundraising efforts for Water For People at the 2018 Joint Annual Meeting at Tan-Tar-A. Total funds that will be raised in the Golf Tournament, Silent and Oral Auctions, Texas Hold’em, Comedy Night, and various raffles will be donated to Water for People.

Water For People assists people in developing countries to improve quality of life by supporting the development of locally sustainable drinking water resources, sanitation facilities and hygiene education programs. Around the world, 884 million people do not have access to safe drinking water and 2.5 billion are without adequate sanitation facilities. Every day, nearly 6,000 people who share our planet die from water-related illnesses, and the vast majority are children. Water for People’s vision is a world where all people have access to safe drinking water and sanitation, a world where no one suffers or dies from a water- or sanitation-related disease. More information on their work can be found at www.waterforpeople.org.

If anyone has any questions about Water For People, would like to learn more about how they can help in this cause, or has any other creative fund-raising ideas, please contact Ken Gambaro (314)646-2421 or kmgamb@stlmsd.com.

Silent Auctions

MWEA and MO-AWWA’s Water For People Committees conduct several fundraising events at the Annual Meeting. These are very successful in generating contributions for Water For People.

Throughout all of the fund-raising efforts and events, the consultants, equipment manufacturers, and equipment representative organizations (many of which also pay to exhibit at these meetings) ALL have been very generous in assisting by providing unique, interesting, and (most importantly) desirable items that could be offered for auction, as well as any other contributions to other fundraising activities.

If you are planning to exhibit at this year’s Joint MWEA / MO-AWWA Annual Meeting in March at Tan-Tar-A, we would greatly appreciate the donation of an item for the silent auctions. Please call or e-mail a description of your donated auction item(s) to Ken Gambaro (contact information below) prior to March 16, 2018 (so that Bid Sheets can be prepared, and so we will know which trees to shake to try and obtain additional auction item donations). Just bring your item to the Water For People booth on Sunday evening at the opening reception.

As always, thank you all for your support of MWEA & MO-AWWA Scholarships and Water For People!

Annual
Texas Hold ‘Em Poker Tournament
2018 Joint Annual Meeting

Monday Evening (March 26, 2018)
Tan-Tar-A Resort
9:30 PM to Midnight

The Annual Texas Hold ‘Em Poker Tournament will be held Monday evening at Tan-Tar-A. We plan to start dealing the cards promptly at 9:30 p.m. (to allow people a couple of hours to have dinner) and wrap-up by no later than midnight (to prevent people from not showing up for breakfast on Tuesday morning).

Each player will pay a $20 buy-in fee (their generous donation to Water For People), and we’ll have some cash prizes for the top finishers (we don’t want anyone getting too serious about this – bragging rights will be worth more than the prizes). Each player will be allowed to buy in one time if all chips are lost within the first hour.

We are seeking two sponsors of this Poker Tournament. This sponsorship money ($300 each) is used to pay for the space for the tournament, beverages and snacks. Any organization interested in sponsoring should contact Joe Beffa at Jbeffa@vandevanter.com or Ken Gambaro at kmgamb@stlmsd.com.

If you want to participate in the Texas Hold ‘Em Poker Tournament, please fill out a copy of the attached form and bring it with you (along with your $20 contribution) to the designated rooms at Tan-Tar-A on March 26, 2018. In case you forget or can’t find your form, we will have plenty of extras on hand; simply show up about 9:00 and we will register you.

Water For People is an international, non-profit, charitable organization which provides funding for the construction of both potable water supply and wastewater disposal systems for under-developed, economically-challenged communities throughout the world. A remarkable degree of improvement in living conditions can be achieved in such communities, benefiting large numbers of people, through the investment of a relatively small sum of money. Through a focus on education and training, many of these communities are beginning to understand that their health depends greatly on the proper collection and disposal of their sanitary wastewater.
Okay - figure this one out - he's a guitar player with no song parodies, sing-a-longs, or Dylan impressions. Clean Corporate Comedian Dwayne Clark is high-energy without playing "What's your name - where are you from" with his audience. His material is intelligent, adult, yet inoffensive. He delivers his act with southern charm that doesn't play to the stereotypes of the dumb southerner. It's like Minnie Pearl and Tony Bennett had a baby (pardon the visual). With his infectious smile, and his undeniable charm, Dwayne Clark steps onstage and delivers a show that every audience member will appreciate and leave with an uncontrollable craving for corn bread & caviar.

Since 1994, Steve has hypnotized over 25,000 people nationwide in his comedy hypnosis shows and motivational hypnosis training seminars, and his repeat customers always love every show.

The Virtual Reality Tour Comedy Hypnosis Show is a comedy show where the volunteers and your audience are held spellbound as they are taken on a lifelike mental vacation using the power of hypnosis and their minds. The powerful hypnotic commands from Steve will quickly have the comedy hypnotist show volunteers dropping like flies, and the jaws in your audience dropping in amazement...
